

WHO *We are*

At Fangus Spa, we use locally sourced organic products developed by Biosfera, a 100% Costa Rican company. Inspired by the purity of water and the natural richness surrounding the Arenal Volcano, we create wellness experiences in harmony with nature. Our signature is the mud from our lagoon, naturally enriched with unique volcanic minerals, featured as the star element in our signature treatments.

OPENING HOURS

Open Daily
8 a.m. - 8 p.m.

Our services are subject to availability. Please inquire about schedules and choose how you would like to enjoy your experience: in a private treatment room or in our couples' room, or on our outdoor terrace for an additional \$10. At the end of your experience, we invite you to enjoy a complimentary infusion prepared with fresh ingredients from our organic garden, as a perfect closing to your experience.
